

# CINetwork: Igniting HIV-STBBI Change through Community Innovation

27 May 2022

Virtual Event

Objectives:

- To build relationships and knowledge amongst CINetwork participants to propel its systems change work
- To highlight community innovation as an important aspect of HIV-STBBI systems change
- To showcase examples of community innovation projects
- To hear about broader issues from keynote presenters that will impact community innovation
- To hear about the CINetwork's key directions moving forward
- To discuss what steps can be taken next by the CINetwork with community innovation and related projects

Production Team:

- **CINetwork Event Planning Team:** Ken Bristow, Jackie Flett, Lisa Patrick, Riley Hammond, Linda Larcombe, Paula Migliardi, Laurie Ringaert, Mike Payne
- **Facilitation Team:** Laurie Ringaert, Linda Larcombe, Sri Maddur
- **Masters of Ceremony:** Ken Bristow, Jackie Flett
- **Graphic Recording:** Fuselight
